#### GOVERNMENT OF MEGHALAYA

#### NOTIFICATIONS

The 16<sup>th</sup> November, 2020.

**No.FIF.12/2009/Pt-1/116.** - One of the main indicators of the flow of credit in the State is the Credit-Deposit (CD) ratio. On an average, the CD ratio in Meghalaya, has been around 35% for the last decade. The CD ratio as on 30th June, 2020, is 43.42%. However, this is way below the national norm of 60% and All India average of 73.1%. There are many banks with very low CD ratio that is less than 20%. This is alarming because it is an indicator of a bank's unhealthy performance.

Therefore, taking cognizance of this persistent issue that has been prevailing over the years, all Government Departments are to ensure that they do not deposit Government funds with banks whose CD ratio is less than 20%. The list of such banks is highlighted below. However, this list will be updated quarterly by SLBC convener / coordinator in the SLBC website (<http://onlineslbcne.nic.in>).

Sl. No.	Name of the Bank	CD ratio for June 2020
1	IDFC	0.29
2	Kotak Mahindra Bank	1.22
3	YES Bank	1.45
4	South India Bank	7.38
5	UCO Bank	14.29
6	Federal Bank	15.89
7	Union Bank	16.11
